Tamedia Digital Specifications: Digital-Promotion 20 Minuten Friday

Specification: Digital-Promotion 20 Minuten Friday

Specifications

Digital promotion is a special form of advertising within the 20 Minuten Friday environment, with a competition as a hook. At the heart of the digital promotion is the splash site, which like all the promotional elements, is marked as «Promotion» or «Competition».

Digital promotions are subject to 20 Minuten editorial guidelines and CI guidelines and require the approval of the editorial and publishing management. Splash site and teaser are produced by 20 Minuten, promo ads must be delivered. Competitions are held exclusively at 20 Minuten as a rule – in exceptional cases they can be linked to participation on a different landing page. The customer / agency is responsible for the shipping of competition prizes.

Please provide the complete material at least five working days before the agreed start date.
